

The Embroidery Shed Ltd – Environmental Policy

Date of Issue: 20.03.2018

At The Embroidery Shed Ltd we care about the environment and the footprint we leave on the planet.

Recycling

We recycle as much waste as we possibly can from paper, to cardboard bobbin cases and thread cones.

Fabric

All of our scrap fabric and backing fabric is taken to our local charity Ashgate Hospice.

Plastic

Wherever possible we re-use garment bags and postal bags to reduce the amount of plastic going to landfill. If you require your order sending with no plastic then please let us know in advance (we always recommend bagging of white garments).
